

# Introducing

We're excited to announce our new school management system – **FACTS SIS** (Student Information System). We're in the process of setting up **FACTS Family Portal** – a private and secure parents' portal that will allow parents to see academic information specific to their children, while protecting their children's information from others.

All you need is an Internet-capable computer to view information such as:

-  Attendance
-  Progress Reports
-  Report Cards
-  Discipline
-  Homework
-  Missing Assignments
-  School Calendar
-  School Announcements
-  School Directory
-  Family Account Balances with Online Payment
-  Teacher Email Addresses
-  Other Useful School Information

FACTS has created a 5 minute [Family Portal Overview video](#), which will give you an introduction to the system. Please watch it at your convenience by [clicking here](#). The password to access the video is **Portal** (case sensitive).
